JavaScript, Node.js, Git, PostgreSQL, Bootstrap, SASS CSS, HTML, Github Heroku, Handlebars, Ember, Ruby, Ruby on Rails, Express, MongoDB, Mongoose

WEB DEVELOPMENT EXPERIENCE

General Assembly | Jan 2018 - April 2018 | Boston, MA
Web Development Immersive Student:
- Completed 12 week intensive web development immersive course, developed 4 full-stack web apps
- Integrated front-end to a web application using modern JavaScript libraries, and used CSS for layout and styling the application.
- Built web applications using Ruby on Rails and MVC framework.
- Collaborated with others and produced software as a team to develop, change, troubleshoot, and secure an application using Git.
- Wrote secure applications and deployed them through third party services like Heroku.
- Built APIs using Node.js and integrated data from other apps into the project.

PROJECTS

Kraigslist | http://www.keikowada.com/gt-front-end/
- Interacts with third party API (google map API)
- Designed with html, css, and JavaScript
